

# Sunset/Puesta del Sol Elementary PTA

---

January 2010

Dear Friends of Puesta del Sol:

The PTA at Sunset/Puesta del Sol Elementary is committed to the support of our school. We are so fortunate to have such a wonderful Spanish immersion program, as well as great parent volunteers. Of course, none of the enhancement programs, during and outside of school, are possible without the help of our community.

To help benefit our educational enhancement programs, Puesta del Sol Elementary will host our second fundraising auction on April 23, 2010. We invite you to please form a partnership with us through the donation of a gift card or item to use in our auction. Your donation is tax deductible. As a thank you, your organization will be mentioned in our auction catalogue, our weekly newsletter and on our school website. We would also be pleased to place any brochures, small advertisement displays, or marketing trinkets at our auction.

With the generous support of people and businesses like you, the PTA will be able to continue to provide many educational enhancement programs for over 530 children ages kindergarten through 5<sup>th</sup> grade. Some of the activities that we support are field trips, educational classroom visitors, Passport Club, and Field Day. We also fund reading and Spanish language specialists and provide one-time use math workbooks for each child.

For more information about our school community, we invite you to visit our Website at [www.puestadelsolpta.org](http://www.puestadelsolpta.org). You can also find information there on our upcoming events for this year, as well as volunteer opportunities.

Thank you in advance for considering a partnership with us. I look forward to you reply.

Sincerely,

Lita Huber & LeiMomi Begay Loschky  
(lita.huber@virtualseystems.com & leimomi@q.com)
