Passport Check @ Home

We no longer offer Re-Check day at school. If your child wants to make up a Check Day, they may be checked at home, OR students may check at school on ANY OTHER Check Day. If you'd like to use this sheet to check @ home, please quiz your child using their BLANK map for the countries of the month they would like to make up. Please write in the names of the countries your child has identified, sign in the space provided and **turn it in to your child's teacher.**

A couple tips:

- To check your child, say (for example), "Show me Spain " They should be able to point to Spain without help from you. Then say, "Show me Russia" etc.
- It's important to go sequentially as the levels are cumulative. Do Level 1 first, then Levels 2 & 3 etc. Students may miss one country in Levels 1-3 and still „pass" Level 3. They may miss a total of 2 countries on Levels 1-5 and still „pass" Level 5.
- All maps and level info are at www.puestadelsolpta.org. Email Kerste (kerstehelms10@hotmail.com) or Krista (kcap@msn.com) for login and password information.
