Did you mail Passport Club a postcard this past summer? Tell us on Check Day and receive a Special Itinerary stamp. You can also earn Special Itinerary credit by designing your own postcard and bringing it with you on Check Day. Use the space at left (or your own paper) to **draw and color something from a place you've seen or would like to see.** It could be a **building, an animal, or scenery**, for example. Then on the postcard back, write down what you've drawn and where you could see it (city, state, or country).

You don't have to be a great artist,  
**just give a good effort.**

**STOP BY THE LIBRARY TO SEE THE POSTCARDS SENT BY YOUR CLASSMATES OVER THE SUMMER!**
