

# T-Ball

Registration is now open for Thunderbird Little League! This fantastic program is an important feeder to the venerable Newport High School program. South Bellevue is proud of our Baseball heritage, and – believe it or not - this is where it starts! Our goal is for the kids to have fun while learning the basics. Time commitment is two days per week (one weekday evening and Saturday games). Your player will attend a station to station skills development camp, where fundamental baseball and softball skills will be taught with fun games and drills. Volunteer parent coaches will be required and are provided training.

**Registration opens December 1st**

For all kids ages 5-6 as of April 30, 2012

## **The Bellevue Thunderbird Little League mission is to:**

- Develop the qualities of citizenship, discipline, character, and teamwork
- Develop the values of sportsmanship, competitiveness and fair play
- Promote fun and foster a love of the game
- Promote the learning and development of baseball/softball skills and challenge players to attain personal goals
- Promote safety awareness
- Encourage volunteerism, community involvement and community service
- Commit to serving ALL who sign up to play
